:all amendments may cause rejec- :  
:tion of the bid. See FAR : Date of Issue: 08 JUL 2003  
:52.214-3 of Section 00100 : Date of Opening: 12 AUG 2003

Amendment No. 0001  
23 July 2003

SUBJECT: Amendment No. 0001 to Specifications and Drawings for Construction of  
CONVENTIONAL AIR LAUNCH CRUISE MISSILE (CALCM) BEDDOWN, PDC NO.  
QJVF 042002P1, MINOT AFB, NORTH DAKOTA.  
Solicitation No. DACA45 03 B 0002.

TO: Prospective Bidders and Others Concerned

1. The specifications and drawings for subject project are hereby modified as follows (revise all specification indices, attachment lists, and drawing indices accordingly).

a. Specifications. (Descriptive Changes.)

(1) Page 00010-4, Note 1, sentence "The Government ... Notice to Proceed," revise "90 calendar days" to read "180 calendar days".

(2) Page 00100-17, after paragraph 33, insert the following new paragraph:

"34 AVAILABILITY OF LAND

A portion of this project site is not available for construction. This is the area north of the existing property fence shown on Drawing sheet C1.01. The government expects to have control of this area no later than 30 Nov 03. Upon government control of this property, the contractor will be provided access to proceed with the construction in that location. After contract award the Contractor will be issued a limited notice to proceed. This NTP will limit the Contractor to proceed with construction activities on available Government property. This includes the primary Convoy Road from the Ramp to the existing property fence. Construction access for this activity will be through a construction access rout on Minot AFB, ND."

b. Drawings (Not Reissued). The following drawings are descriptively revised as indicated below and are hereby amended with this amendment. These drawings are not reissued with this amendment.

(1) Sheet U3.01: Revise as follows:

- a. Replace DOUBLE CHECK DETECTOR VALVE AND VALVE DETAIL in accordance with attached sketch.
- b. Add TYPICAL REINFORCING AT PENETRATIONS in accordance with attached sketch.

(2) Sheet S9.08, Elevation 4, to note "3-#6 AT EACH SIDE OF OPNG" next to reinforcing around opening for fan, add the following:

"SEE SHEET S9.07 FOR OPENING LOCATION"

2. This amendment is a part of the bidding papers and its receipt shall be acknowledged on the Standard Form 1442. All other conditions and requirements of the specifications remain unchanged. If the bids have been mailed prior to receiving this amendment, you will notify the office where bids are opened, in the specified manner, immediately of its receipt and of any changes in your bid occasioned thereby.

a. Hand-Carried Bids shall be delivered to the U.S. Army Corps of Engineers, Omaha District, Contracting Division (Room 301), 106 South 15th Street, Omaha, Nebraska 68102-1618.

b. Mailed Bids shall be addressed as noted in Item 8 on Page 00010-1 of Standard Form 1442.

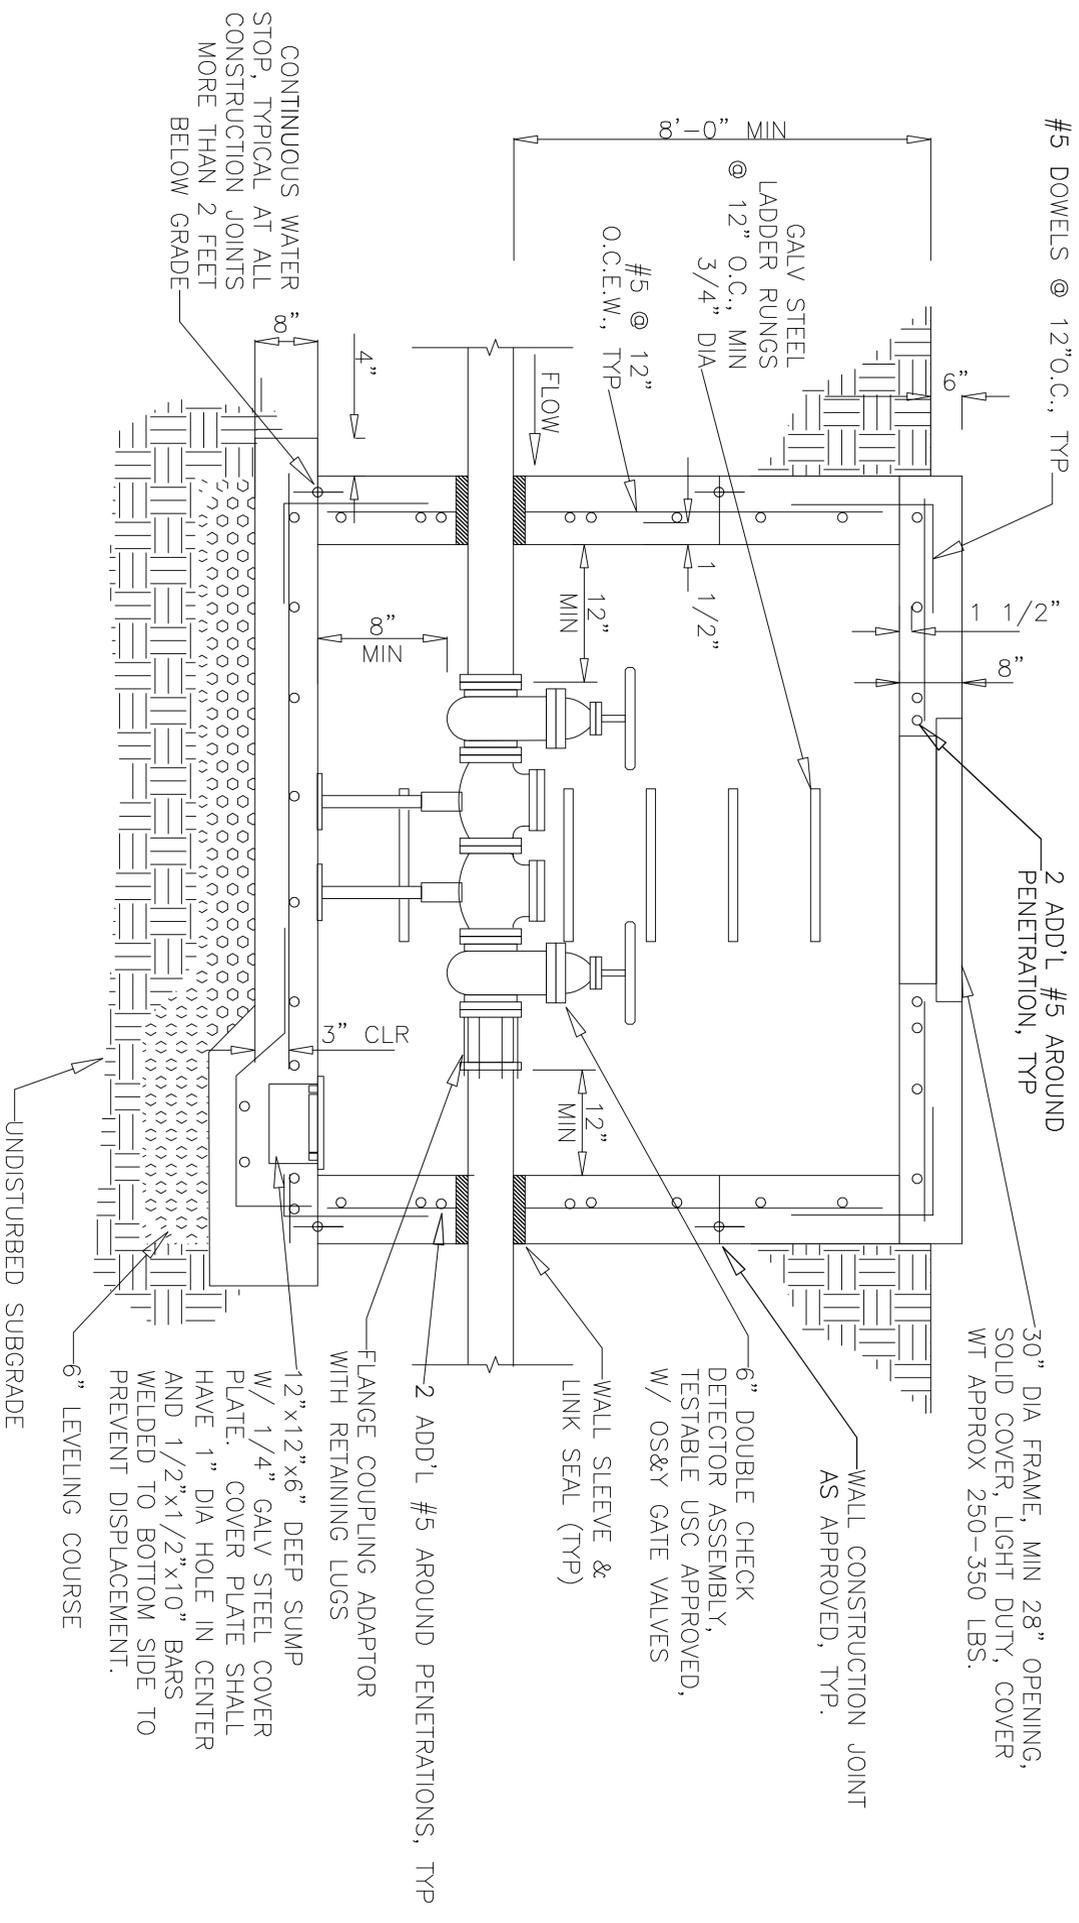

**3. Bids will be received until 2:00 p.m., local time at place of bid opening, 12 AUG 2003.**
