9 Cost Proposal

Task Order 0001 Cost Proposal. The Offeror should submit any assumptions used when preparing the performance-based cost plus award fee proposal in order to explain how the Offeror's technical approach will be implemented and how it will reach the milestones that were developed for the task order.

The Offeror is instructed to develop its best and most reasonable/acceptable approach to the task order in order to achieve all milestones required. The Offeror is to assume the work will start approximately one month from the closing date of this solicitation. The Government will evaluate the assumptions, the technical approach, the time to complete each milestone, the cost to complete each milestone, and the overall cost to complete the services under the scope of services. The cost proposal should address the full work effort. This estimate shall be limited to thirty (30) pages. The Wage Determinations (Service Contract Act) can be found in this Section J of this RFP.

It is the Government's intent to have performance-based scopes of work for all projects. Therefore the Offeror should be able to prepare a performance-based cost proposal based off the scope of services above and future task orders.

~~The Offeror should also use the rates provided in Section B along with the projected hours for each discipline.~~
